

Sun West Mortgage Partners With TACA in Their Mission to Support Families Living With Autism

October 14, 2021

Sun West Mortgage Company has joined The Autism Community in Action (TACA) to provide funding for educational and support services to over 75,000 families affected by autism. For newly diagnosed families, finding resources can be overwhelming. With its philanthropy outreach, Sun West aims to fund necessary social and educational services, ensuring every family is able to best support their child.

As part of Sun West's philanthropy outreach, it has funded programs at UCLA, orphanages in Puerto Rico, and donated over 32,000 face shields to first responders across the United States. Sun West is proud to be a key sponsor for the National TACA Autism Conference being held virtually on October 15-17. This forum provides parents to meet and interact with experts and learn new advances in the field of autism.

"As parents we all strive to ensure our children a brighter future. TACA provides this to families living with autism all across the country and we are proud to support them in their mission" said Pavan Agarwal, CEO of Sun West Mortgage Company Inc.

"Sun West Mortgage is an Autism Hero for TACA families! This Autism Hero gift will help TACA reach more families living with autism. On average over 600 new families seek TACA's help every month. We are grateful for this support that will help us address their urgent needs. The Autism Hero Sun West gift will provide crucial resources to over 50,000 families," said Lisa Ackerman, TACA Executive Director.
